Linda Mojer: "I received the questionnaire and elected not to answer it at this time. I find the questions posed therein are not germane to the work of the City Council."

Tim Leigh: "I don't believe the government should have the right to tell mothers to terminate or not terminate a pregnancy."

Joel Miller: On 6B: "It would depend on all other credentials they had and what role they would be playing in the appointed role. It would not be for anything that could remotely depend on their support for all life."

Keith King **Had a prolife voting record in the State Legislature

Pro-abortion candidates normally do not respond to our surveys. If you favor someone with no response, please take time to contact and ask them their position on abortion.
